

ESOS COMPLIANCE

Up to 14, 000 businesses across the UK are required to complete an ESOS (Energy Saving Opportunity Scheme) audit by 29th January 2016. Those businesses unable, or unwilling, to do so stand to face heavy penalties.

IS YOUR BUSINESS PREPARED TO COMPLY?

COULD YOU BE AFFECTED?

The stipulations set out by the Environment Agency make it clear which UK businesses are required to comply. This includes all businesses with ONE of the...

BALANCE SHEET

Although the policy is designed to help large organisations cut their energy use, only 600 of the approximate 14,000 UK business affected have notified the Environment Agency of compliance as of November 2015.

REMEMBER!
it's your responsibility

DEADLINE
JAN 2016!

Failing to comply with ESOS will result in fines of up to £50,000 and possible charges of 500 pound per day for up to 80 days!
